

**A GODLY SEED**

**I. PURPOSE**

Children are a heritage of the LORD (Yahweh) and the fruit of the womb is his reward. God (Elohim) established marriage by making Eve for Adam; one male and one female. The two became one flesh. He commanded them to be fruitful and multiply, and replenish the earth. This marriage institution is to produce a godly seed by avoiding fornication. God (Elohim) is reproducing himself through the birth of all human beings. We are made in his likeness and image. The Devil has deceived many in either killing their seed through abortion, or having children out of wedlock. These are evils that are perpetuated by Satan to make the word of God (Elohim) of none effect. Today we learn the importance of God's (Elohim's) will in having a godly seed.

Memory Verse: 1 Tim 5:15 For some are already turned aside after Satan.
