

COMMITMENT TO YAHWEH

“Come on Bill, go out with us to the bar, it will be fun you don’t have to drink anything. Be the designated driver. Just come out with us!” said Johnny in a very convincing tone. Bill, sighing for the one hundredth time, turns to his friends, saying, “You know what I stand for. You can go and do what you want, but I’m not made for that,” Bill exclaimed. “Oh, you’re just one of them holier than thou people” Johnny said as they slammed the door behind them. “Dorm life can be lonely sometimes”, Bill thought. He got into bed and drifted off of to dreams of church the earlier that day.

Memory Verse: Deuteronomy 6:4 Hear, O Israel: The LORD our God is one LORD:

BIBLE LESSON

Commitment to the strait path is going against the grain of the world. The world wants each of us to follow the wide path, but that path leads to destruction. We follow the narrow way. That way, even though it is a suffering way, leads to abundant and everlasting life, now. We must commit ourselves to God.

Commit to Yahweh fully. Deuteronomy 6:1-7, Matthew 22:37-40

Commitment has its rewards. Psalms 37:1-6, Proverbs 16:3

Small is the entrance and narrow is the road. Matthew 7:12-14, Isaiah 35:8-10

Holiness is the way. Matthew 16:24-28, Proverbs 4:20-26

APPLICATION

Write down the things you are fully committed to God in. Share with the class.

Why is your commitment to Yahweh so strong in these areas?
