

TRANSFORMERS, PART II

INTRODUCTION

There was a cartoon, and then a movie (or two), in which seemingly regular objects changed into robotic creatures. They might have presented themselves as cars, planes, or even a stereo, but they would “transform” into robots capable of many things. When the Lord blessed us with knowing him, our minds became transformed, but our bodies will be transformed as well. We will be celestial beings, capable of great things. We await, as creation does, our ultimate mounting up in Yahweh, hallelujah!

Memory Verse Romans 13:14 But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfill the lusts thereof.

BIBLE LESSON

When we received Yahshua into our hearts by the indwelling of the Holy Ghost, we were transformed by the renewing of our minds to receive the mind of Christ. When Jesus comes back, our bodies will be transformed, or translated into eternal beings, being powered by the Spirit of God, as Jesus was transformed bodily. This lesson explores this second transformation.

We were predestined to transform. Romans 8:28-30

We will have new bodies that can do wonderful things: Luke 24:25-35

We will have heavenly bodies: I Corinthians 15:35-50

APPLICATION

How does this knowledge of a new body change your outlook on life here?

Read I Peter 2:11-12 for discussion.
