

**PASSOVER II: THE MEMORIAL**

Passover is a time to remember. We remember that over 4000 years ago, God delivered the children of Israel through the sacrifice of the people of Egypt. We remember that Jesus became the Passover Lamb and paid the ransom price for us. We remember that through the blood of Jesus, we are redeemed from our sins. We are able today to walk in the newness of life through His sacrifice. We remember this season as we have lived in its glow for years, or perhaps the first time. We remember the family traditions of Passover, the matzos, the Seder meal, the high services, the songs, the plays, the marches and the like. This is the time to remember and enjoy this season with your loved ones.

We remember the Israelites in Egypt and the death of Jesus. Using your Bible, number these events in their proper order. Be careful, as this will take you through the entire Bible. For help, look in Genesis –Revelation. (LOL) No, really. Look in Gen 3, Exodus 12, 13, Numbers 9, Ezra 6, 2 Chronicles 30, 35, Luke 2, John 2, John 6, Matthew 26-28, John 1, Rev 5, I Corinthians 5, and Joshua 5. There may be others.
