

PENTECOST

Imagine being in the crowd in Jerusalem on the first Pentecost after Jesus died. Can you hear the people speaking of the goodness of God in English, even though you know the people that are talking never heard English before? What are they saying? They are praising Yahweh! They are thanking God for his goodness! Imagine that!

Memory Verse: Acts 2:1 And when the day of Pentecost was fully come, they were all with one accord in one place.

BIBLICAL LESSON

This lesson today reminds us that Pentecost is a feast that God commands His people to celebrate. The Holy Ghost that was promised, was given freely on this day. Gentiles and Jews alike would have the Spirit of God, the Ruach Ha-Quadesh, the holy breath of God inside them, reminding them of all the Jesus taught them, and allowing Yahshua to teach them and understand spiritual things directly. The Spirit of God helps us to live spiritually in this life. Let us explore the workings of the Holy Ghost on this feast of Pentecost.

This is a commanded appointment with the Almighty. Leviticus 23:15-21

This is the day when the Holy Ghost was given to those that waited on Him. Acts 1:7-9, Acts 2:1-17

The Holy Ghost can fall when the Word is preached. Acts 10:34-48

There is a change in lifestyle that is created by the Spirit of God. Matthew 7:15-23, Galatians 5:22-26
